## **1. AIM**

The aim of this policy is to raise the profile of the Association through setting and maintaining the highest standards of professionalism and direction and by maintaining an environment within which members are identified, developed, supported and recognised.

BHN recognises the NSW Pathways for players, coaches, managers, umpires & bench officials and endeavours to support all members along this pathway.

BHN endeavours to support all NSW and Netball Australia representative competitions & events to the best of ability.

## **2. APPOINTMENTS**

BHN will be assisted in the appointments of all Representative Team Officials by the Appointments Panel.

The appointments panel will proceed as detailed in the Appointments Panel Procedure.

## **3. TEAM OFFICIALS**

Team officials will consist of:

- Coaching personnel
- Manager

All team officials will be appointed by the Appointments Panel as per Clause 2 of this policy. All team officials will be provided with the minimum expectations required of their positions as detailed in the Representative Participants Procedures. BHN will have regard to each officials individual pathway and endeavour to support that pathway within their resources.

## **4. PLAYERS**

To attend Selections, players must:

- Be a current financial member of Netball NSW,
- Submit a current Rules of Netball Theory Pass when trialling for 12 years and over, and
- Pay a nomination fee as set out in the current Fees, Fines & Payments Schedule.

In addition, once selected into a team, all Players, and the parents/guardians of players, will abide by the conditions of their inclusion in the program, and the expectations as set out in the current Representative Participants Procedure document.

## **5. SELECTIONS**

The relevant Selection Committees, as appointed at the AGM annually, will select all players to be offered positions into the BHN netball representative program.

Procedures relating to the composition of the Selection Committees and the roles and duties of the Selection Committees are detailed in the Duties of Executive & Committee Members Policy.

In general, an appeal will only be considered if the BHN Representative Team Procedure was not adhered to, or the player was not given fair and equal opportunity during the selection process. An appeal will not be heard on a subjective basis that the player believes they are better or more deserving than a selected player.

No feedback will be provided to any player until after the final phase of selections. Replies to any requests for feedback from any applicant arising out of the selection process will only be at the discretion of the relevant Representative Convener in consultation with the Selection Panel.
